

BMS Access Support® Can Provide Patient Access and Reimbursement Assistance

Bristol Myers Squibb is committed to helping patients gain access to their prescribed BMS medications. That's why we offer BMS Access Support.

BMS Access Support provides resources to help patients understand their insurance coverage, potential financial support options, and other resources. The program includes:

Insurance benefits
review & prior
authorization support

Co-pay assistance for
eligible commercially
insured patients

Additional resources
that may help
with access and
reimbursement needs

**One-on-one
live support**

Three Simple Ways to Get Support

Contact your **Access & Reimbursement Manager** directly with questions or to schedule an office visit.

Call Bristol Myers Squibb Access Support at **1-800-861-0048**, 8 AM to 8 PM ET, Monday–Friday, to speak with a patient access specialist.

Visit **www.BMSAccessSupport.com** for information and resources, including the BMS Access Support program enrollment forms, to help your patients with access to BMS medications.

The accurate completion of reimbursement- or coverage-related documentation is the responsibility of the healthcare provider and the patient. Bristol Myers Squibb and its agents make no guarantee regarding reimbursement for any service or item.
